#### Information for candidates

The paper consists of two writing tasks.

You are required to complete both tasks.

You have 45 minutes to complete the two tasks.

## **Task 1**

A foreign friend is coming to stay with you and your family for a short visit for the first time. Write a letter to them including the following points:

- Describe your city/town
- Ask what they would like to do and make 2 suggestions
- Suggest something they should bring with them and say why

The letter should be between 150 -200 words. You do not need to include addresses.

## **Task 2**

You have just seen an announcement in the school magazine asking for an article with the title, "Life as a modern teenager"

Write an article for the magazine. It should be between 200-250 words. It should include:

- What you enjoy about being a teenager and what is difficult
- What has changed from when your parents were teenagers
- Whether you think being a teenager is likely to be the best age
